

2012 Approved Schedule of Fees and Charges

December 2012

1	Foreword	1
2	Application of 2012 Approved Schedule of Fees and Charges	2
2.1	Creation of financial liability	2
2.2	Cessation of financial liability	2
3	Tuition fees	3
3.1	Annual fees	3
3.1.1	Cohort pricing	3
3.2	Standard or average load	3
3.3	Higher Education – Commonwealth Supported Place (CSP)	4
3.3.1	Student Learning Entitlement (SLE)	5
3.3.2	Calculating the student contribution	5
3.3.3	Pre-2010 students	6
3.3.4	Pre-2009 students	7
3.3.5	Pre-2008 students	8
3.3.6	End of pre-2005 HECS Arrangements	9
3.4	Higher Education Loan Programme (HELP)	9
3.4.1	Lifetime limits to HELP loans	10
3.4.2	HELP loan repayments:	11
3.4.3	Provision of a Tax File Number	11
3.4.4	Eligibility for HELP programs	11
3.4.5	Ineligibility for HELP programs	11
3.5	Higher Education – domestic and international full fee paying	12
3.5.1	Program fees and charges	12
3.5.2	Capping of research tuition fees	12
3.5.3	Degree of Doctor of Philosophy by Publication	13
3.5.4	Changes to fee-paying domestic undergraduate places	13
3.5.5	Transfer of domestic fee-paying students to Commonwealth Supported Places (CSP)	13
3.5.6	International onshore students	14
3.5.7	International off-shore students	14
3.5.8	RMIT International University Vietnam	14
3.5.9	Change in citizenship or immigration status	14
3.6	TAFE – State Government Supported Places	14
3.6.1	TAFE <i>Securing Jobs for Your Future: Skills for Victoria</i>	14
3.6.2	Eligibility criteria for government subsidised places	15
3.6.3	2012 TAFE tuition fees	17
3.6.4	Eligibility for exemptions and concessions – TAFE	20
3.6.5	Concessions for dependant spouse/child of card holder	21
3.6.6	Verification of exemptions and concessions – TAFE	21
3.6.7	Change in concession status	22
3.6.8	East Timorese asylum seekers	22
3.6.9	Interstate Apprentices and Trainees	22
3.6.10	Fee Maintenance: students who commenced programs before 1 July 2009	23
3.7	Recognition of Prior Learning (RPL) and Recognition of Current Competency (RCC)	24
3.7.1	TAFE RPL Fees for Government subsidised places	24
3.7.2	RPL for TAFE full fee paying students	25
3.8	TAFE international and domestic full fee paying	26
3.8.1	TAFE international program fees	26
3.8.2	TAFE tuition fees for Australian Fee Paying Students	26
3.8.3	TAFE AFP fees for programs Cert IV and above	26
4	Student services and amenities fees	27

5	Material fees.....	27
5.1	Higher Education and TAFE sector	27
6	Administrative fees.....	28
6.1	Service fees	28
6.2	Late enrolment fee.....	28
6.2.1	Higher Education sector	28
6.3	Fines and charges fees	28
6.3.1	Library loans.....	28
6.3.2	Identification name badges	29
6.3.3	TLD monitors and badges.....	29
6.3.4	Deposit for Access Cards.....	29
6.3.5	Late withdrawal from study tour	29
6.4	Car parking fees and parking fines.....	30
6.4.1	Parking fees for Bundoora and Brunswick campuses	30
6.4.2	Parking fines.....	30
6.5	Special administrative services	31
6.5.1	Special services	31
6.5.2	Graduation ceremony fees.....	31
6.5.3	Purchase of academic dress.....	32
6.5.4	Hire of academic dress.....	32
6.5.5	Administrative fees applying to international full fee paying students.....	32
6.6	Administrative fees applying to Open Universities Australia (OUA) students	34
7	Childcare Centre fees.....	35
8	Debtors – overdue balance and penalties.....	35
8.1	Fees for late payment	35
8.1.1	Overdue charges penalty	35
8.2	Negative service indicators.....	35
8.3	Payment plans	36
9	Payment of fees and charges	36
9.1	Domestic and international - payment methods	36
9.2	Australia Post.....	36
9.3	BPAY	36
9.4	BPOINT.....	36
9.4.1	BPOINT: Internet.....	36
9.4.2	BPOINT: Phone.....	37
9.5	Payment by mail	37
9.6	Payment in person at the university	37
9.7	International only - payment methods	37
9.7.1	Bank draft.....	37
9.7.2	Telegraphic transfer	38
9.8	Allocation of payments.....	38
10	Discounts, fee waivers and partial scholarships	39
10.1	Authorisation/approval of partial scholarships	39
11	Scholarships.....	39
11.1	Scholarships for international students.....	39
11.2	Postgraduate research scholarships	39
12	Refund rules	40
12.1	RMIT University refunds	40
12.1.1	Refund application process.....	40
12.1.2	Payment of refund.....	40

12.1.3	Definition of returning and commencing Students	41
12.1.4	Refunds for domestic students and returning international students	41
12.1.5	Refund rules for International Students.....	45
12.1.6	Refunds for commencing International Students	45
13	Financial liability will remain until enrolment is cancelled.....	49
14	Approval	50
	Appendix 1 – Domestic Higher Education program fees (Australian full fee-paying)	51
	Appendix 2 – International Onshore Higher Education, TAFE & Preparatory program fees	71
	Appendix 3 – TAFE Tuition Fees for Australian Full Fee Paying places	92
	Appendix 4 - Material and course fees.....	105
	Appendix 5 - Administrative fees.....	149

1 Foreword

The '2012 Approved Schedule of Fees and Charges' outlines all fees that may be charged by RMIT for enrolment or other engagement with RMIT in the 2012 calendar year. This document is published annually under the authority of the RMIT University Council. All fees in this schedule and appendices are subject to alteration by Council without prior notice. All approved changes will be recorded in the addendum of this document and posted on www.rmit.edu.au/fs/fees/schedules.

Only fees that have been approved by the Vice-Chancellor (or delegate) can be charged to students or persons; fees not approved are illegal and cannot be either charged or collected. Only approved fees listed in this document (or its subsequent revisions) and appendices are configured in the University's student administration database. All student fees must be charged through the University's student administration database unless otherwise approved by Financial Services.

All fees and charges listed in this schedule and appendices have been approved by the Vice-Chancellor, and endorsed by Financial Services. Any questions about this document should be referred to the Deputy Director, Business Advisory or Manager, Student Financials in Financial Services.

In broad terms, there are four categories of fees charged by RMIT:

1. Tuition fees for Higher Education, TAFE and preparatory students, studying in a Commonwealth or State Government supported place, or as a full fee-paying domestic or international student. This includes student contributions or tuition contributions.
2. Student services and amenities fees for services and amenities of a non-academic nature, such as sporting and recreational activities, employment and career advice, childcare, financial advice and food services.
3. Material fees and charges associated with courses and subjects offered by the University. These include fees or charges associated with field trips, goods or services which are used to produce items that become the physical property of students, lecture notes and reading material. In most instances, these charges are not compulsory and are optional at the student's discretion.
4. Administrative fees and charges include fees for parking, library fines, penalties for late payment or late enrolment, graduation ceremonies, etc.

The following sections provide a list of the fees and conditions that may apply to fees charged to students or persons for enrolment or other engagement with RMIT during 2012.

Fee information is also provided on the RMIT website www.rmit.edu.au/programs/fees

2 Application of 2012 Approved Schedule of Fees and Charges

All students or persons who enrol at RMIT for studies in the 2012 calendar year, or who otherwise engage with RMIT in 2012 (e.g. graduation, car parking, apply for admission, etc) are subject to the fees and charges detailed in this document.

All students who undertake their studies at RMIT in the 2012 calendar year are required to complete an enrolment form or enrol online. Completion of an enrolment form or online enrolment is a declaration that binds a student to the rules and obligations of this approved schedule of fees and charges (inclusive of amendments subsequently approved by Council).

A student or person is liable for the resulting financial obligation from the application of their enrolment or other action pursuant to this approved schedule of fees and charges. The financial obligation to pay tuition fees will remain unless withdrawal of enrolment is made via the approved process prior to the semester financial deadlines advised.

2.1 Creation of financial liability

Financial liability for all Tuition and Administrative fees and charges are created at the point of enrolment. Students become liable for Material fees upon signed agreement and/or upon receipt of the corresponding goods or service.

2.2 Cessation of financial liability

Financial liability only ceases upon payment or withdrawal from a course or program by the appropriate date.

The only mechanisms to withdraw from a course are via Enrolment Online, an approved *Enrolment Variation* or *Leave of Absence* form.

The only mechanism to withdraw from a program is lodgement of a *Cancellation of Enrolment* form with RMIT University or RMIT Training

3 Tuition fees

3.1 Annual fees

Program and course tuition fees for non-Commonwealth and non-State Government supported students who commence their program in 2012 are held constant only for the 2012 year.

RMIT University reserves the right to annually adjust program tuition fees. Changes to program tuition fees will be applied at the beginning of each calendar year. In 2012, the annual tuition price increase is capped at 7.5%. For Higher Education fees, tuition fees are rounded up to the nearest \$10.00 per credit point increment, and so the actual fee increase may exceed 7.5%. Similarly, for VET/TAFE students the program annual fees are rounded to the nearest \$250, and so the actual fee increase may exceed 7.5%. This cap does not apply to domestic full fee paying TAFE students.

Students who commenced their program in semester 2, 2003 or earlier (term 0350 or prior) will continue to be charged according to the terms and conditions existing at the time of their initial enrolment in that program. In other words, these student fees will continue to be "pipelined" for the duration of their continuous enrolment in the program they commenced in semester 2, 2003 or earlier.

3.1.1 Cohort pricing

Where the tuition fee for a given program exceeds the cap on annual tuition price increases, students who are currently enrolled will be entitled to complete their tuition at their current fee rate (subject to annual indexing), whilst newly enrolling students will be charged at the new fee rate. The list of the average annual 2012 tuition fees for all local and international undergraduate and postgraduate full-fee paying programs in appendices 1 and 2 may therefore include two or more price streams for a single program. Where this occurs the "program description" field will indicate the cohort by calendar year that corresponds to the annual fee price listed. Students are allocated to a cohort based upon their program admit date.

3.2 Standard or average load

Annual tuition fees are based upon standard or average load (total program load ÷ program duration) and normal progression, with pro-rata fees applying to non-standard loads.

The standard measure of a full-time student load in Higher Education is 48 credit points per semester. TAFE programs do not conform to a standard load per semester; the annual fees for TAFE programs are therefore based on a calculation of total program fees (at current year prices) divided by program duration.

TAFE tuition fees are configured at the level of nominal hours and students are therefore invoiced according to their enrolled load at the program price set for the corresponding calendar year. To illustrate, a program requiring 1,500 nominal hours over two (2) years may require students to undertake 700 nominal hours in the first year and the balance of 800 nominal hours in the second year. Assuming full time enrolment, the student will therefore be invoiced for 700 nominal hours in the first year at the fee set for that calendar year and 800 nominal hours for the second year at the new calendar year rate. The fee invoiced for each semester may also vary between semesters as the enrolment requirements in TAFE Programs varies between semesters.

Over the full duration of the program, the total program tuition fee will be the fee quoted (subject to annual adjustments). TAFE fees may be in excess of the total program tuition fees (including annual adjustments) if the student chooses non-standard electives or if a student enrolls in subjects in addition to the normal program load.

3.3 Higher Education – Commonwealth Supported Place (CSP)

A Commonwealth Supported Place (CSP) is a Higher Education place for which the Commonwealth Government makes a partial financial contribution. In addition to this Government contribution CSP students are required to pay a student contribution according to the units of study (courses) undertaken. Some CSP students may be eligible for HECS-HELP assistance to help them pay their student contribution amounts (see 3.4).

A student is a CSP student only if they have received confirmation from RMIT that they have been offered a Commonwealth Supported Place, and the student accepts that place.

Only students who meet citizenship requirements may be eligible for a CSP. That is, they are

- an Australian citizen;
- a New Zealand citizen who will be resident in Australia for the duration of their unit of study;
- the holder of a permanent humanitarian visa who will be resident in Australia for the duration of their unit of study; or
- the holder of a permanent visa who will be resident in Australia for the duration of their unit of study.

The amount of student contribution a student is liable for per course (subject) is based on the load of study and the discipline of each course (subject). Each discipline falls within one of five student contribution bands (detailed below).

Student contribution amounts are charged on a semesterly basis. Each semester all CSP students are issued a Commonwealth Assistance Notice (CAN) after the published semester census date that details the student contribution amounts and any payments made for each enrolled course.

CSP students, if eligible for HELP (Higher Education Loan Programme), have the following payment options:

- Make a full up-front payment of 90% of the student contribution amount for all of their units or courses and receive a 10% discount;
- Pay part of their student contribution amounts up-front, receive a 10% HECS-HELP discount for any payments totalling \$500 or more, and obtain a loan for the remainder; or
- Obtain a loan for the full amount of their student contribution amount.

3.3.1 Student Learning Entitlement (SLE)

The SLE system will be abolished from 1 January 2012. The Higher Education Support Amendment (Demand Driven Funding System and Other Measures) Bill 2011 was passed by the Parliament on 14 September 2011.

Under the provisions of the Bill, eligible students will no longer have a limit placed on how much study they can undertake as a Commonwealth supported student. Students who have used up their allocation of SLE will now be able to re-enrol from 1 January 2012 to complete their studies as a Commonwealth supported student (or undertake further study in a Commonwealth supported place). Those students who used up their SLE and have paid tuition fees for a fee paying place and/or received a FEE-HELP loan are not able to receive a remittance of those fees or a reduction in their FEE-HELP debt.

3.3.2 Calculating the student contribution

CSP students are required to pay a student contribution amount that, depending upon eligibility, may be paid upfront or deferred through the [HECS-HELP scheme](#).

The student contribution amount for a course is based on the student contribution band that the course falls within (see Table 1 below) and the (Equivalent Full-Time Student Load) EFTSL weight of the course as a proportion of a full-time study load (i.e. student contribution band x EFTSL course weight).

The weight of courses is measured as a proportion of a full-time student load (1 EFTSL) and can also be measured in credit points. A full time load for Higher Education students at RMIT is equivalent to 96 credit points. Some programs, such as double degrees, may require the student to enrol in more than 96 credit points in some or all years of the program.

It is important to note that the student contribution bands are determined by the individual unit of study (which RMIT defines as a course), not the program or degree. That is, if a student enrolls in a nursing course and an accounting course as part of a Bachelor of Nursing program, the nursing course will be charged in Band 1 and the accounting course will be charged in Band 3.

More detailed information regarding calculation of student contribution amounts is provided on the RMIT website www.rmit.edu.au/programs/fees.

Table 1: Maximum student contribution amount by student contribution band - 2012

Student Contribution Band	Maximum student contribution amount for a place in 2012 (1 EFTSL or 96 credit points)
National Priorities —Mathematics , Statistics, Science	\$4,520
Band 1: (humanities, behavioural science, social studies, clinical psychology, foreign languages, visual and performing arts, nursing, education)	\$5,648
Band 2: (computing, built environment, health, engineering surveying, agriculture)	\$8,050
Band 3: (accounting, administration, economics, commerce, law, dentistry, medicine, veterinary sciences)	\$9,425

Notes on Table 1:

National Priorities: The maximum annual student contribution amount for Mathematics, Statistics and Science units of study applies to students who commenced their program of study on or after 1 January 2009. The national priority maximum student contribution amount also applies to continuing students who transfer to a Natural and Physical Sciences program of study from a non Natural and Physical Sciences program of study. The reduced maximum student contribution amount is set at the national priority level of \$4,520 (2012 rate).

Pre-2008 students: For pre-2008 students, the maximum annual student contribution amount that may be charged for Accounting, Administration, Economics and Commerce units is **\$8,050**. This amount applies to Commonwealth supported students who commenced a course of study before 1 January 2008 and are covered by the savings provision in Schedule 7 of the Higher Education Legislation Amendment (2007 Budget Measures) Act 2007.

Pre-2009 students: For pre-2009 students, the maximum annual student contribution amount that may be charged for Mathematics, Statistics and Science units is \$8,050 (Band 2).

Pre-2010 students: From 1 January 2010, the maximum annual student contribution amount for Commonwealth supported students undertaking Education and Nursing units of study increased from the 'national priority' rate to the Band 1 rate.

For pre-2010 students, the maximum annual student contribution amount that may be charged for Education and Nursing units in 2012 is \$4,520.

3.3.3 Pre-2010 students

Effective 1 January 2010 the maximum annual student contribution amount for education and nursing units of study increased from the National Priority Band rate to the Band 1 rate. This applies to students who commenced their program of study from 1 January 2010. Continuing students will continue to be subject to the National Priority Band rate that applied in 2009, indexed for subsequent years (\$4,520 in 2012).

A person is a pre-2010 student for a unit of study if:

- the person commenced a course of study with a provider before 1 January 2010 and was a Commonwealth supported student in relation to a unit of study in that course; and
- the person did not complete the course by 31 December 2009, or if they completed the course, it was:
 - an enabling course undertaken in 2009; or
 - a related course for an honours course of study and they are undertaking the honours course of study; and
- the unit of study that would have been included in Education in the funding cluster Mathematics, Statistics, Behavioural Science, Education, Computing, Built Environment, Other Health or the funding cluster Nursing repealed by of the *Higher Education Support Amendment (2009 Budget Measures) Act 2009*.

To be a pre-2010 student there is no requirement that the course a student was undertaking as a Commonwealth supported student prior to 2010 was a course in education or nursing or related

disciplines or that the student has undertaken units of study in education and nursing or related disciplines prior to 2010.

The pre-2010 arrangements apply to students who transfer from one course of study to another (including where one course of study is postgraduate and the other undergraduate), or who transfer between providers, as long as they meet the above requirements.

Where a student was enrolled in a course of study as a Commonwealth supported student before 2010, has not completed the course of study by the end of 2009, but then ceases to be enrolled, the student will be a pre-2010 student if they subsequently enrol in a course of study as a Commonwealth supported student in 2010. There is no requirement for particular circumstances to apply to a person's discontinuance from a course of study (for example, there is no need for a student to have deferred or taken approved leave from the course).

There is no sunset clause for the grandfathering arrangements for pre-2010 students.

Pre-2010 students enrolled in double or combined degrees

- A student who is enrolled in a double or combined degree program is a pre-2010 student if they completed the requirements of only one of the awards on or before 31 December 2009.
- A pre-2010 student enrolled in a single degree program and who transfers subsequently to a combined or double degree program remains a pre-2010 student even if they complete the requirements of one of the awards.

3.3.4 Pre-2009 students

From 1 January 2009, providers must set the annual student contribution amounts for units of study in mathematics (including statistics) and science within the National Priority Band amount. The reduced maximum student contribution amount for these units applies to all students who commence their course of study on or after 1 January 2009, regardless of their course of study.

It also applies to continuing students, who commenced before 2009 in a non-Natural and Physical Sciences course of study, did not complete that course of study and, on or after 1 January 2009, transfer to a Natural and Physical Sciences (NPS) course of study.

The reduced maximum student contribution amount is the 'national priority' band amount of \$4,520 (2012 amount, indexed for future years).

Continuing 'pre-2009' students (with the above limited exception) will remain subject to the current higher maximum student contribution amount for units in mathematics, statistics and science at the band 2 amount of \$8,050 (2012 amount, indexed for future years).

When is a person a pre-2009 student

A person is a pre-2009 student if:

- they enrol on or after 1 January 2009 in a mathematics, statistics or science unit that forms part of a course of study that the student:
 - commenced prior to 1 January 2009; or
 - transfers into on or after 1 January 2009 from a course that they commenced prior to 1 January 2009, and the exception for non-NPS to NPS transferring students does not apply.

HESA defines a combined or double degree program as a single course of study. A student is a continuing student until they complete the entire course of study.

3.3.5 Pre-2008 students

As outlined in section 5.2 of the *Administrative Information for Higher Education Providers (effective from 14 March January 2011)*, for students who commenced from 1 January 2008 the contribution amounts for units of study in accounting, administration, economics and commerce are changed to the same maximum as applies under HESA for law, medicine, dentistry and veterinary science (or Band 3).

Students who commenced prior to 2008 will continue to pay the previous maximum student contribution amount (\$8,050 in 2012,) until the end of 2012. All students in these disciplines will be covered by the same maximum student contribution amounts in HESA from 1 January 2013.

Some pre-2005 HECS students (see section 3.3.5) who did not complete their course when the pre-2005 transitional arrangements finished at the end of 2008 may be eligible to continue under the pre-2008 provisions. However, a pre-2005 HECS student who did not undertake any CSP study between 1 January 2005 and 31 December 2007 is not a pre-2008 student.

A person is a pre-2008 student for a unit of study if:

- the person commenced a course of study with a provider before 1 January 2008 and was a Commonwealth supported student in relation to a unit of study in that course; and
- the person did not complete the course by 31 December 2007, or if they completed the course, it was:
 - an enabling course undertaken in 2007; or
 - the related course for an honours course of study and they are undertaking the honours course of study; and
- the period over which the person is undertaking the unit of study ends on or before 31 December 2012; and
- the person is not a pre-2005 HECS student in 2008; and

- the unit of study would have been in the accounting, administration, economics or commerce funding cluster repealed by Schedule 2 of the Higher Education Legislation Amendment (2007 Budget Measures) Act 2007.

To be a pre-2008 student there is no requirement that the course a student was undertaking as a Commonwealth supported student prior to 2008 was a course in accounting or related disciplines or that the student has undertaken units of study in accounting or related disciplines prior to 2008.

If a person meets the pre-2008 requirements for study undertaken after 1 January 2008 and then completes their course before the end of 2012, the pre-2008 arrangements still apply to that person for subsequent courses of study if they continue to meet the other pre-2008 requirements.

3.3.5.1 Pre-2008 students enrolled in double or combined degrees

- A student who is enrolled in a double or combined degree program is a pre-2008 student if they completed the requirements of only one of the awards on or before 31 December 2007.
- A pre-2008 student enrolled in a single degree programme and who transfers subsequently to a combined or double degree programme remains a pre-2008 student even if they complete the requirements of one of the awards.

3.3.6 End of pre-2005 HECS Arrangements

As outlined in section 5.1 *Administrative Information for Higher Education Providers (effective from 14 March 2011)* all pre-2005 student arrangements expired on 31 December 2008 regardless of whether a student has completed their program. Please note, students who began their course of study prior to 1 January 1997 and have not discontinued their study are included in the pre-2005 arrangements. Therefore, all pre-2005 students who have not completed their program as of 31 December 2008 will:

- no longer have access to the pre-2005 student contribution ranges. They will be subject to the student contribution ranges as those student who commenced their study on or after 1 January 2005, and;
- will not be eligible for a HELP loan unless they are an Australian citizen or the holder of a permanent humanitarian visa. Students who are not eligible for HECS or FEE-HELP must pay their student contribution amount up-front in full by the advised financial deadline.

3.4 Higher Education Loan Programme (HELP)

Through the Higher Education Loan Programme (HELP), the Commonwealth government lends eligible students money to pay for their Higher Education fees. HELP is administered under the *Higher Education Support Act 2003* (HESA). While some information about HELP is provided in this document to assist students, a student's official reference for HELP is the Australian Government Department of Education, Employment and Workplace Relations (DEEWR) *Going to Uni* website at: www.goingtouni.gov.au and publications such as the *FEE-HELP information 2012* booklet and the *Information for Commonwealth supported students 2012* booklet. Changes may be made by the Government to the legislation for HELP at any time.

The Australian Government's *Going to uni* website www.goingtouni.gov.au contains links to the Australian Government's *myUniAssist* website. The *myUniAssist* website is designed to help students monitor their FEE-HELP balances, Commonwealth scholarships and OS-HELP records.

Should any inconsistencies between this document and the official Australian Government website arise, then the information contained on the Australian Government website prevails.

HELP loans provide eligible students with assistance to pay all or part of their tuition fees. The HELP loans available are as follows:

- **HECS-HELP** — for eligible students enrolled in Commonwealth supported places (CSP). HECS-HELP loans cover all or part of your student contribution.
- **FEE-HELP** — for eligible full-fee paying students. FEE-HELP is a loan that covers up to the full amount of your tuition fees. It is available to full-fee paying undergraduate and postgraduate coursework and research students. Undergraduate students (including Associate Degree students) are charged a 25% loan fee,.
- **OS-HELP** — for eligible Commonwealth supported students who wish to study overseas. This loan is to assist with expenses such as accommodation and travel.
- **VET FEE-HELP** —for eligible TAFE students. VET FEE-HELP loans are provided to meet all, or some, of the costs of tuition incurred by:
 1. Eligible full-fee paying TAFE students, who enroll in a diploma, advanced diploma, vocational graduate certificate or vocational graduate diploma program; and
 2. Eligible TAFE students subsidised by the Victorian State Government, who enroll in a diploma or advanced diploma program.

A loan fee of 20 per cent applies to TAFE full fee paying places. TAFE students in Government subsidised places are not charged a loan fee.

3.4.1 Lifetime limits to HELP loans

Over a student's lifetime a FEE-HELP limit applies for access to a FEE-HELP or VET FEE-HELP loan. The FEE-HELP limit is indexed annually. In 2012 the FEE-HELP limit is \$112,134 for medicine, dentistry and veterinary science students and \$89,706 for all other students. The FEE-HELP limit applies even if a person has partially or fully repaid their FEE-HELP or VET FEE-HELP debt.

HECS-HELP, FEE-HELP, OS-HELP and VET FEE-HELP debts are treated as a single debt, which is known as the accumulated HELP debt. The options available for paying tuition fees or student contributions depend on the student's eligibility for a HELP loan. If the student has an approved loan you have the option to:

- pay the full tuition fee or student contribution up-front (Eligible Commonwealth supported students who make full up-front payments of 90% of the student contribution amount for all of their courses will receive a 10% discount.)
- pay some of the tuition fee or student contribution up-front and request a loan for the remainder of their tuition fees (Eligible Commonwealth supported students who pay part of their student contribution amounts up-front will receive a 10% discount for any payments totalling \$500 or more, and obtain a loan for the remainder.)
- request a HELP loan for the full tuition fee or student contribution amount.

3.4.2 HELP loan repayments:

HELP debts are indexed on 1 June each year and repayments occur on one of two ways:

- **Compulsory payments through the Australian taxation system:** Students start repaying their HELP debt to the Federal Government through the Australian Taxation system once they reach the minimum income threshold level for repayment. The repayment thresholds are adjusted each year to reflect any changes in average weekly earnings.
- **Voluntary repayments to the Australian Taxation Office:** Students can make voluntary repayments to the Australian Taxation Office at any time and for any amount. Those who make a voluntary payment of \$500 or more receive a bonus of 5% and their account is credited with an additional 5% of the payment. The bonus is 5% of the payment made not 5% of the outstanding debt.

3.4.3 Provision of a Tax File Number

If a student is applying for any kind of HELP loan for study at RMIT, they will need to supply a valid Tax File Number. If a Tax File Number is not supplied on or before the census date, the student will need to pay the student contribution or tuition fee in full on or before the census date.

If a CSP student does not pay the entire student contribution amount up-front and has not provided a valid Tax File Number on or before the census date, RMIT is required by federal government legislation to cancel the student's enrolment as a CSP student. RMIT does not have any discretion with this matter and cannot accept an up-front payment after the census date.

If a CSP student who is not eligible for HECS-HELP assistance fails to pay their Student Contribution amount in full by the census date, RMIT is required by federal government legislation to cancel the student's enrolment as a CSP student. RMIT does not have any discretion with this matter and cannot accept an up-front payment after the census date.

3.4.4 Eligibility for HELP programs

To be eligible for HELP a student must be one of the following:

- an Australian citizen;
- a holder of a permanent humanitarian visa who will be resident in Australia for the duration of the unit;
- a holder of a permanent visa who is undertaking bridging study for overseas-trained professionals and will be resident in Australia for the duration of the unit.

3.4.5 Ineligibility for HELP programs

Other domestic students, such as New Zealand citizens and Australian permanent residents (other than holders of a permanent humanitarian visa), are not eligible for HELP. These students must pay their Student Contribution or Tuition Fee in full by the census date and are not eligible for a discount.

If a CSP student who is not eligible for HECS-HELP assistance fails to pay their Student Contribution amount in full by the census date, RMIT is required by federal government legislation to cancel the

student's enrolment as a CSP student. RMIT does not have any discretion with this matter and cannot accept an up-front payment after the census date.

3.5 Higher Education – domestic and international full fee paying

3.5.1 Program fees and charges

RMIT offers a number of undergraduate, research and postgraduate places to students that are not supported by the Commonwealth Government. The tuition fees for these programs are set on an annual basis and may be subject to change each calendar year.

Under HESA, the tuition fees for all Higher Education full-fee paying programs must be greater than or equal to the current year's maximum 'Student Contribution Amount' for the program; the fees for all of RMIT's domestic fee-paying programs have been set above the respective maximum student contribution amount. Appendix 1 provides a list of the average annual 2012 tuition fees for all local undergraduate and postgraduate full-fee paying programs.

3.5.2 Capping of research tuition fees

All students undertaking research programs at RMIT are levied tuition fees based on the nature of their program. Tuition fees for research programs with research EFTSL calculation have tuition fees capped at 48 credit points per semester for full-time students and 24 credit points per semester for part-time students, regardless of enrolled credit point load. This applies to domestic, international onshore and international offshore non-partner enrolments. Many research programs, typically those with a significant coursework component, have standard EFTSL calculation, not research EFTSL calculation. Tuition fees for research programs with standard EFTSL calculation are not capped and are charged on a pro-rata basis.

Examples of research programs with research EFTSL calculation:

- MR082 Master of Applied Science
- DR003 Doctor of Philosophy

Examples of research programs with standard EFTSL (not research) calculation:

- DR060 Doctor of Project Management
- DR061 Doctor of Business Administration

3.5.3 Degree of Doctor of Philosophy by Publication

Fees have been set and configured within RMIT's student administration system for domestic full fee paying candidates enrolled in the degree of Doctor of Philosophy by Publication as outlined in Appendix 1 of this Schedule. In accordance with RMIT Council Regulation 5.1.9 sections 5 and 6, candidates for the degree of Doctor of Philosophy by Publication will normally be enrolled part-time for a duration of one year. As with section 3.5.2 above, the standard part time load for a research program is 24 credit points.

3.5.4 Changes to fee-paying domestic undergraduate places

From 1 January 2009, fee paying domestic undergraduate places are being phased out of public universities.

Please note: Postgraduate programs are unaffected by this announcement and will continue to be offered to domestic students on a fee-paying basis.

New domestic students

In 2010, no full-fee places were offered at RMIT University to new domestic students in undergraduate programs through VTAC (Victorian Tertiary Admission Centre).

Current fee-paying Australian students

Students who are currently enrolled in full-fee Australian undergraduate places can continue to complete their degree as a full-fee student. RMIT University's scheme of allowing high achieving, full-fee paying, undergraduate students to transfer to CSP places is still in existence for any student who enrolled in 2008 or earlier (see 3.5.5).

Exemptions

There are some exemptions to the Government's prohibition on new full-fee undergraduate places which will affect a very small number of applicants and students. These include applicants who:

- are enrolling in a full-fee Spring or Summer School course
- are enrolling in a bridging course for overseas trained professionals
- are enrolling in a unit that forms part of a course of study that is subject to determination by the Minister specifying that a student cannot be enrolled as a Commonwealth supported student
- have commenced their course of study as an overseas student and become a domestic student part way through their course
- do not fall into the above categories but who wish to apply for a full-fee place

Such applicants are required to apply directly to RMIT's admissions for a full-fee place.

3.5.5 Transfer of domestic fee-paying students to Commonwealth Supported Places (CSP)

Students may be eligible to transfer from a domestic fee paying undergraduate place to CSP funded place in the same program if they meet the criteria for a Guaranteed Transfer or a Discretionary Transfer. The procedure for Academic merit-based transfer of domestic undergraduate fee-paying students to commonwealth supported places can be located from the RMIT Policies and Procedures website www.rmit.edu.au/policies.

3.5.6 International onshore students

The Commonwealth does not contribute to educational costs for international students unless the students are in receipt of an International Postgraduate Research Scholarship. Furthermore, Commonwealth grant amounts provided to universities for the education of domestic students are not provided for the purpose of subsidising places or services for international students.

The fees charged to international onshore students must be greater than or equal to a minimum indicative fee specified by DEEWR. All RMIT fees have been set above these minimum requirements. Appendix 2 of this document lists the 2012 fees for international onshore students.

3.5.7 International off-shore students

RMIT University does not set fees for international off-shore students. All tuition fees and charges for international off-shore students are established by the relevant off-shore partner.

3.5.8 RMIT International University Vietnam

Australian and New Zealand citizens studying at RMIT International University Vietnam (RMIT Vietnam) are subject to the fees and charges detailed in the RMIT Vietnam [schedule of fees and charges](#), and may be eligible for FEE-HELP.

3.5.9 Change in citizenship or immigration status

International students who change residency during the course of their study, and become an Australian citizen or permanent resident, may be entitled to pay fees at the same rate as local fee-paying students (if they are not eligible for a Commonwealth Supported Place or Victorian government subsidised place in respect of TAFE students), provided they can show evidence that the change in citizenship or immigration status was granted by the applicable census date and the student submits a Change of Citizenship/Immigration Status form to RMIT by the same applicable census date. Please note, depending on the established fees for individual programs, changing citizenship or immigration status may not necessarily result in a reduction in fees. Students may also incur a \$500 administrative fee.

3.6 TAFE – State Government Supported Places

3.6.1 TAFE *Securing Jobs for Your Future: Skills for Victoria*

In 2009, the Victorian government announced major changes to TAFE education under the [Securing Jobs for Your Future: Skills for Victoria](#) reforms which took effect from 1 July 2009.

TAFE tuition fees now depend on the program level or qualification level, which have been categorised as follows: Foundation Skills, Skills Creation, Apprenticeships, Traineeships, Skills Building and Skills Deepening.

New rules determining student eligibility for a government subsidised place have also been introduced.

3.6.2 Eligibility criteria for government subsidised places

1. Citizenship

Students must be:

- An Australian citizen; or
- A permanent visa holder; or
- A special category visa holder (New Zealand); or
- An East Timorese asylum seeker or TPV holder.

2. Age

Students under 20 years of age are guaranteed a training place at any qualification level (i.e. Foundation Skills to Skills Deepening) even if they have a prior qualification. Students over 20 years of age are guaranteed a government subsidised place only in foundation skills qualifications (unless they are a Victorian apprentice, see point 4 below).

3. Prior Qualifications

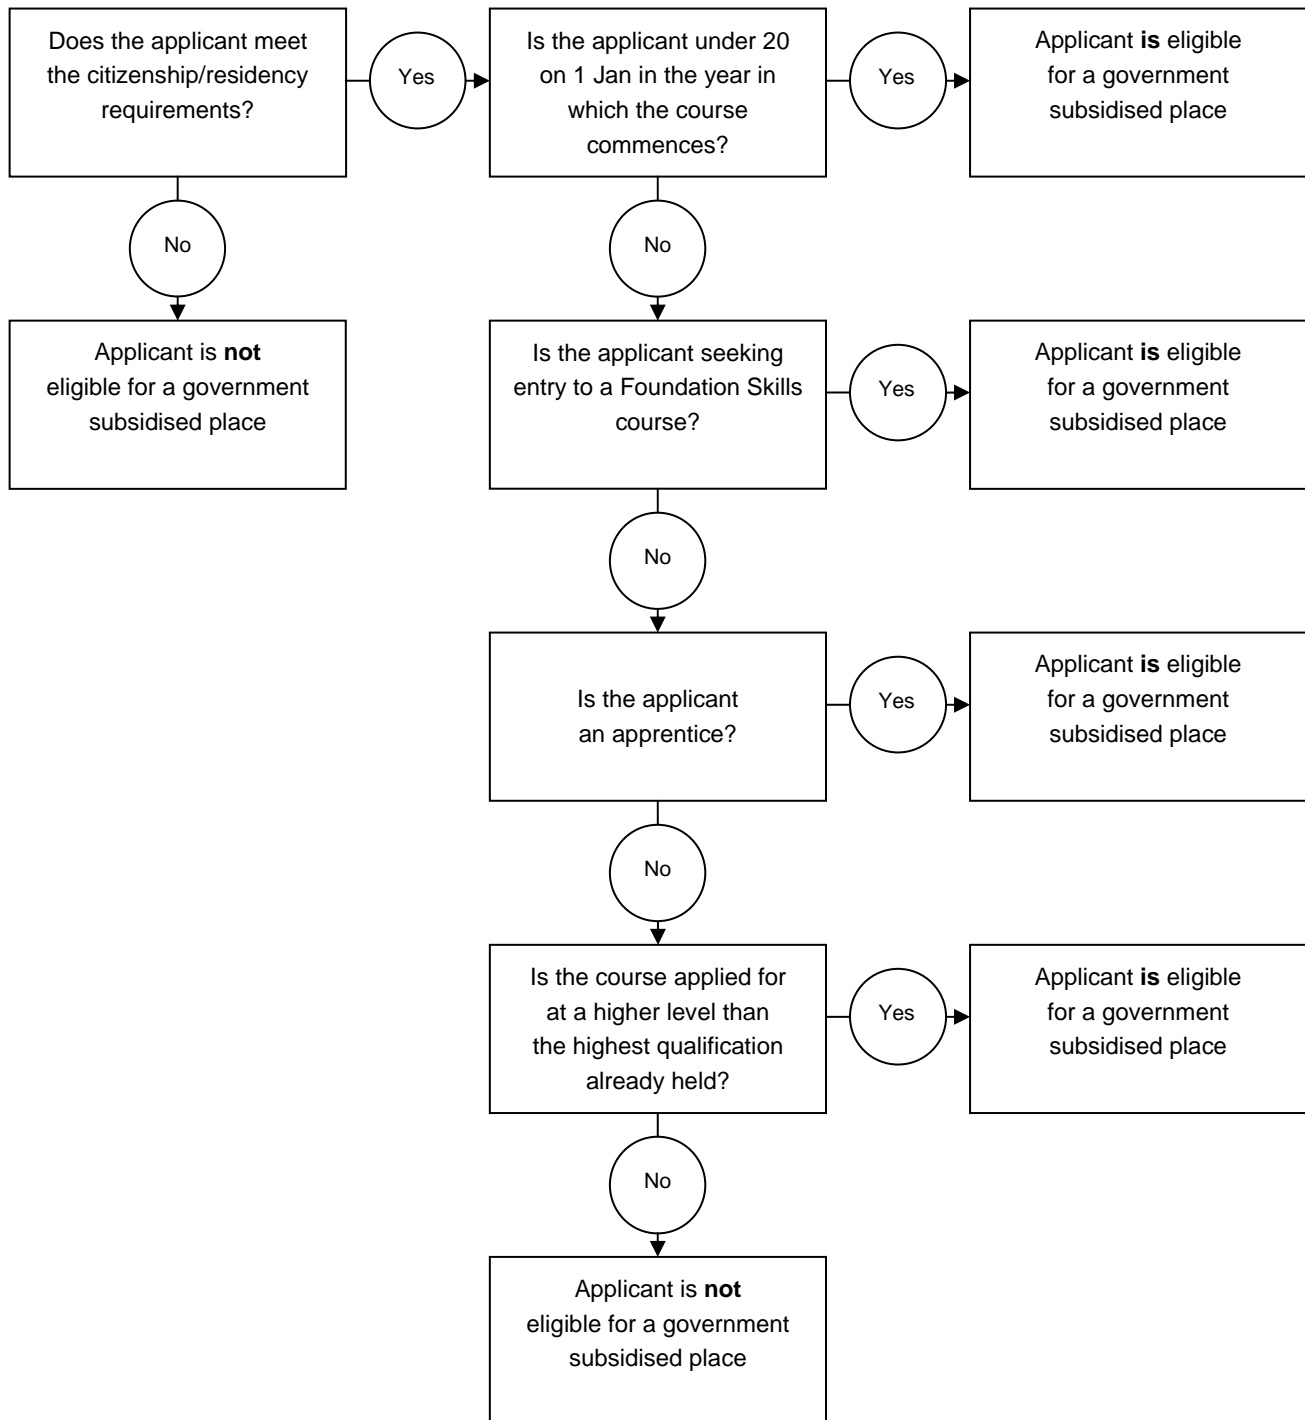

Students over 20 years of age, who enrol in a course that is accredited at a higher level than the highest Australian qualification that they hold, are eligible for a government subsidised place.

4. Apprenticeships

Following a review of the implementation of *Securing Jobs for Your Future*, Skills Victoria has made an amendment to the eligibility criteria for a government subsidised place applicable to apprentices. If you are a Victorian apprentice commencing your program of study in 2012 and meet the citizenship requirements, you have access to a government subsidised place regardless of age or prior qualification.

The below diagram details the eligibility rules in effect from 1 January 2012 for all individuals for all qualification levels.

All qualifications

3.6.2.1 Asylum Seekers and Victims of Human Trafficking

Asylum Seekers and Victims of Human Trafficking who commence a program prior to 1 July 2012 are exempt from the citizenship/residency eligibility requirement for a government supported place, for the duration of their program, or until they withdraw. They must meet all other eligibility criteria for a government supported place.

Asylum Seekers must be confirmed as 'Asylum Seekers' by the Asylum Seeker Resource Centre (ASRC).

Victims of Human Trafficking must be confirmed as 'Victims of Human Trafficking' by the Australian Red Cross (ARC.)

The ASRC and ARC have been provided with a grant to cover the tuition fees levied to eligible students, so RMIT will invoice these organisations for the tuition fees.

3.6.3 2012 TAFE tuition fees

In October 2011, Skills Victoria informed Victorian TAFE institutes of proposed changes to funding and the removal of minimum and maximum fee caps. This means that from 1 January 2012, TAFE institutes are entitled to charge commencing students (and continuing apprentices) for the full amount of the training delivered to them. However, RMIT has made the decision to continue applying maximum tuition fees to all students in 2012.

The changes in funding also included the reduction of the industry weighting for business programs (reducing the government contribution for these programs by 12.5%), and the reduction of the government contribution for Certificate I – Certificate IV programs.

In 2012 TAFE tuition fees depend on the program level or qualification level which have been categorized as follows: Foundation Skills, Skills Creation, Apprenticeships, Traineeships, Skills Building and Skills Deepening.

For study undertaken in 2012 the following tuition fees apply:

Level name	Program level	Fee per Nominal Hour	Student fee Concession rate	Student fees Maximum fee (per calendar year)
Apprenticeships	various	\$2.17	\$188	\$923
Traineeships	various	\$2.17	\$188	\$1,250
Foundation Skills	Foundation level and pre-accredited programs	\$1.08	\$50	\$500
Skills Creation	Certificate I Certificate II	\$1.62	\$105	\$875

Skills Building	Certificate III	\$2.17	\$188	\$1,250
	Certificate IV			
Skills Deepening	Diploma	\$4.33	\$100*	\$2,500
	Advanced Diploma			

Eligible students under the age of 25 at 1 January 2012 will be charged a concession fee of \$100 for enrolments at the Skills Deepening level. For students aged 25 years and over at 1 January 2012, no concession is available at the Skills Deepening level, however indigenous students will only be charged the concession fee of \$100. * As per section 3.6.3.2 below, regardless of nominal hours and combination of TAFE programs enrolled, in 2012 the annual maximum fee is \$2,500.*

3.6.3.1 Calculating the TAFE student contribution for a program or course

TAFE fees for government subsidised places are calculated based on the nominal hours of enrolment. To calculate a student's tuition fees, multiply the total nominal hours for the course or program by the fees per nominal hour for the appropriate qualification level listed in the table above.

Maximum fee: students will be charged up to the maximum tuition fee of the qualification level of the program enrolment.

Example 1: Tuition fee per nominal hour for one program

A student is enrolled in a Skills Building program with 400 nominal hours. The tuition fee per nominal hour for the Skills Building qualification is \$2.17. Therefore, the tuition fee will be $400 \times \$2.17 = \868

Example 2: Tuition fee per nominal hour for multiple programs

A student is enrolled in a Foundation Skills program with 200 nominal hours and a Skills Creation program with 300 nominal hours. The fees per nominal hour for Foundation Skills is \$1.08 and the fees per nominal hour for Skills Creation is \$1.62.

Therefore, the tuition fee will be

$$200 \times \$1.08 = \$216 \text{ (Foundation Skills)}$$

$$300 \times \$1.62 = \$486 \text{ (Skills Creation)}$$

$$\text{Total fees: } \$216 + \$486 = \$702$$

Example 3: Tuition fee per nominal hour with maximum fee for qualification level

During the course of 2012, a student enrolls in a Skills Creation program with 720 nominal hours. The fees per nominal hour for Skills Creation is \$1.62 with a maximum fee of \$875. Although 720 times \$1.62 is \$1,167, the tuition fee will be no more than the maximum fee of \$875. Therefore the tuition fee will be: \$875.

The full list of TAFE courses in 2012 with their nominal hours and the fee per course at each qualification level is available online: www.rmit.edu.au/programs/fees/tafe

3.6.3.2 Overall annual maximum fee

As well as the maximum amounts at each qualification level there is also an overall annual maximum fee. At RMIT, the overall annual maximum fee in 2012 is \$2,500, regardless of how many TAFE programs a student enrolls in and at what qualification level.

Example: student's fees charged up to the 2012 overall annual maximum fee

During the course of 2012, the student undertakes 720 hours of a Skills Building program (\$2.17 per nominal hour) and 400 hours of a Skills Deepening program (\$4.33 per nominal hour).

Based on their enrolled hours, the student is charged \$1,250 (up to the maximum rate) for their Skills Building enrolments and \$1732 for their Skills Deepening enrolments. With the overall annual maximum fee, the total tuition fee amount charged for the student's 2012 enrolments will not exceed \$2,500.

3.6.3.3 Fee exemptions and concessions for students in government-subsidised places

Some students in government-subsidised places may be entitled to an exemption or concession on their tuition fees. This includes students with a Health Care Card or who receive government benefits through Centrelink.

Applicants who believe they are eligible must submit an *Application for TAFE Concession, Minimum Fee and Exemption* form and provide supporting evidence of eligibility before an exemption or concession can be provided. Forms are available from and can be submitted to any campus Hub.

3.6.3.4 Skills Deepening (Diploma and Advanced Diploma) students

From 1 July 2009, Skills Deepening (Diploma and Advanced Diploma students) were no longer eligible for TAFE fee concessions. However, in 2011 the Victorian government reintroduced tuition fee concessions for people under the age of 25 enrolled at the Skills Deepening level.

Eligible students under the age of 25 at 1 January 2012 are charged a concession fee of \$100 for enrolments at the Skills Deepening level undertaken in 2012. For students aged 25 and over at 1 January 2012, no concession is available at the Skills Deepening level, however indigenous students will only be charged the minimum fee of \$100.

Diploma and Advanced Diploma students may be eligible for the VET FEE-HELP loan scheme to defer fees through the tax system (as per section 3.4 Higher Education Loan Program (HELP) of this schedule).

3.6.3.5 Tuition fees for Indigenous Students

The *Indigenous Completions Initiative* announced in 2004 has been extended to cover tuition fees for all enrolments of Indigenous students in 2012. Indigenous students who enrol in TAFE programs in 2012 are entitled to the concession tuition fee amount at all program levels (including a concession fee of \$100 for the Skills Deepening level.)

3.6.3.6 What about New Zealand citizens?

New Zealand citizens who are holders of a Special Category Visa* (subclass 444) are entitled to apply for a government subsidised place for TAFE programs. Their application will be subject to the same Skills Reform eligibility checks as local students.

A Special Category Visa (subclass 444) allows visa holders to live and work permanently in Australia so long as they remain citizens of New Zealand. New Zealand citizens are however not eligible for VET FEE-HELP (as per section 3.4.5 Ineligibility for HELP programs of this Schedule). For more information: www.rmit.edu.au/programs/fees/tafe/nz

3.6.4 Eligibility for exemptions and concessions – TAFE

If you are a TAFE certificate student or preparatory (pre-university) student enrolled in a government subsidised place at RMIT University you could be eligible to apply for an exemption or concession on tuition fees if you hold a Health Care Card, Pension Card or Veteran's Gold Card. Many students are eligible for a Health Care Card, such as low income earners. You can apply for a fee concession each term for each program in which you are enrolled.

Under Skills Reform, concession fees are no longer available at the Skills Deepening level (diploma, advanced diploma, vocational graduate certificate and vocational graduate diploma) for students aged 25 and over, however Indigenous students will only be charged the concession fee of \$100.

3.6.4.1 Concession, and exemption categories for tuition fees

Concession categories

HC	Health Care Card holder (or dependent spouse or child of the holder)
PC	Pension Card holder (or dependent spouse or child of the holder)
PR	Prisoner
VC	Veteran's Gold Card holder
OT	University discretion
ATSI	Aboriginal and Torres Strait Islander

Fee exemptions

JJ	Job Seeker with Concession
JK	Job Seeker without Concession

3.6.4.2 Job seeker Concession

As a result of agreed funding arrangements between the Commonwealth Government and the Victorian Government, job seekers undertaking training at Certificate I through to Certificate IV level will not be required to pay tuition fees. Please note that this does not extend to any other fees (e.g. material fees). A category "JJ" or "JK" job seeker are defined as a person who is:

- registered with an Employment Services Provider (ESP) and/or
- a participant in the Community Development Employment Program and/or the Commonwealth's Access Program.

Both "JJ" and "JK" categories have their tuition paid in full; their concession status is registered for reporting purposes. Enrolment will be subject to the availability of places and to the same eligibility requirements applicable to other enrolments. Job Seekers will be referred to training providers by an

ESP – a Job Services Australia provider, or a Vocational Rehabilitation Service provider, or a Disability Employment Network provider. Access Program providers may also refer Job Seekers.

Job Seekers enrolling at RMIT will have a referral form from their Job Seeker's ESP agency which RMIT must return to the agency. Commonwealth Government ESPs are also responsible for assisting Job Seekers participating in training, so there may be further contact between them and RMIT University.

Two concession codes have been created for this category:

JJ Job Seeker with Concession
JK Job Seeker without Concession

3.6.4.3 College Discretion (OT)

Authority to grant a college discretion concession is delegated to the Academic Registrar. RMIT is permitted to grant a concession on a tuition contribution where RMIT considers that its collection in full would impose extreme financial hardship. This may include a further concession on, or exemption from, the concession charge. If RMIT grants a concession on a tuition contribution, this is done using the TAFE waiver code “OT” on the *Application for TAFE Concession, Minimum Fee and Exemption* form. If RMIT grants an exemption from a tuition contribution, this is done by a waiver approved by the Academic Registrar.

3.6.5 Concessions for dependant spouse/child of card holder

For Commonwealth Health Care Cards and Pensioner Concession Cards concessions that apply to tuition fees apply equally to the holder of the card, their dependant spouse and/or child. Dependant child has the same meaning as in the Social Security Act 1991 of the Commonwealth.

3.6.6 Verification of exemptions and concessions – TAFE

Students are required to complete and lodge an *Application for TAFE concession, minimum fee and exemption* form to request a concession or exemption of fees. Students must complete a separate application form for each TAFE program in which they are enrolled. The basis of the exemption/concession should be clearly indicated on the form. Evidence is required from the student to substantiate the application for a concession and must be sighted by the enrolment officer and a copy attached to the application form.

3.6.6.1 Applying for fee concessions

To be assessed for TAFE fee concession eligibility, you are required to complete a 2012 *Application for TAFE Concession, Minimum Fee and Exemption* form. The application form is available from [the Hub](#) on your campus. You must submit the form in person at the Hub with your Health Care Card, Pension Card or Veteran's Gold Card on or before your first census date in the term you are seeking concession.

If you are on fee maintenance (as per section 3.6.11 Fee Maintenance: students who commenced programs before 1 July 2009 of this schedule), you will have up until your last census date in the relevant term to lodge your application form.

3.6.6.2 Health Care Cards

You may be eligible for a TAFE fee concession due to your eligibility for a Health Care Card. As a Health Care Card holder you could get a significant concession on fees, reducing your tuition fees to as little as \$50 to \$188 for the year, depending on your level of study.

The effective date of your Health Care Card will affect your fee concession eligibility:

- If you commenced your program after 1 July 2009, your Health Care Card start date must be on or before the first scheduled class of the term
- If you commenced a Diploma or Advanced Diploma program after 1 July 2009, your Health Care Card start date must be on or before the first scheduled class of the term and be aged under 25 as at 1 January 2012
- If you commenced your program before 1 July 2009, your Health Care Card start date must be before the last census date in the term.

3.6.7 Change in concession status

Concession fees will only be applied during a term if the eligibility conditions are met (as per section 1.1.1.2 Health Care Cards above) and the 2012 *Application for TAFE Concession, Minimum Fee and Exemption* form is lodged at the Hub prior to or on the first census date in the term.

If a student does not meet the eligibility criteria or the application form is not lodged by the relevant deadlines outlined above (section 1.1.1.1 Applying for fee concessions) the concession cannot be applied until the following term (subject to eligibility criteria being met for that term).

A student who was not eligible for a concession in first term who becomes eligible for a concession and then enrolls in further training at the same category (e.g. Skills Deepening, Skills Building) within the calendar year will not be liable for any further tuition fees above the maximum concession rate for the calendar year.

3.6.8 East Timorese asylum seekers

Students who are East Timorese asylum seekers are entitled to apply for state government funded TAFE places .

3.6.9 Interstate Apprentices and Trainees

For interstate apprenticeships a contract signed between RMIT and the interstate State Training Authority must be in place (NSW has its own procedure for eligible students who commenced their training prior to 1 January 2011, see 3.6.10.1 below). The State Training Authorities provide their contract for RMIT to sign. Each apprentice must have a Training Contract signed by their employer that specifies the program and RMIT as the Registered Training Organisation (RTO). A form must also be completed to establish Mutual Recognition within 21 days of commencing delivery of the course. This Mutual Recognition process ensures that RMIT has approval to deliver the course and that it is recognised by the interstate State Training Authority. The funding arrangement for these programs is also determined in this process. More information is available from the RMIT Apprenticeship and traineeships website: <http://www.rmit.edu.au/programs/apps-trainees> or the National Training Information Service: <http://www.ntis.gov.au>.

3.6.9.1 New South Wales Apprenticeships

The Victorian and New South Wales Governments, through their respective State Training Authorities, have had a Memorandum of Understanding that has enabled apprentices from either state to freely enrol at a TAFE institute in Victoria or New South Wales. Again, it must be verified that RMIT has authority to deliver this training and that the apprenticeship offered is a designated trade listed on the NSW Vocational Training Order (VTO). This Memorandum of Understanding will cease as at 1 January 2012 but will be honoured for apprentices who commenced their program prior to 1 January 2011. The 2012 rate for these NSW apprentices and trainees is equivalent to the TAFE State Government Supported rate of \$2.17 per nominal hour, up to a maximum of \$1,250 (see the table in section 3.6.3 of this schedule More information is available from RMIT's Office of the Director of TAFE.

3.6.10 Fee Maintenance: students who commenced programs before 1 July 2009

In 2009, the Victorian government announced major changes to TAFE education under the *Securing Jobs for Your Future: Skills for Victoria* reforms which took effect from 1 July 2009.

In line with the Victorian Minister for Skills and Workforce Participation's 2009 Ministerial Directions on fees and charges, under the 'fee maintenance' scheme, students who commenced their programs before 1 July 2009 are entitled to continue to be charged in accordance with the fee structure in place at the time of their initial enrolment in that program. This arrangement will remain in place until the student either complete their studies, withdraw from their program or until the deadline of 31 December 2012. Fee maintenance rates are subject to annual indexed increases as directed by Skills Victoria.

This policy does not apply to students who commenced a new program after 1 July 2009, see 3.6.1 *TAFE Securing Jobs for Your Future: Skills for Victoria* above.

3.6.10.1 2012 Fee Maintenance standard tuition fees and concession rates:

Standard tuition fees - Victorian government funded students	2012 fee per nominal Student Contact Hour	2012 Minimum per year	2012 Maximum per year
Standard tuition fees (non-concession)	\$1.47	\$59	\$939
Fee concessions and exemptions (eligible students must submit an application)			
Commonwealth health care card*	\$1.47	\$59	\$59
Pensioner concession card*	\$1.47	\$59	\$59
Veterans gold card	\$1.47	\$59	\$59
Aboriginal and Torres Strait Islander	\$1.47	\$59	\$59
Prisoners, persons on remand or attending a course as part of a non-custodial order	\$1.47	\$0	\$0

*Concessions that apply to tuition fees apply equally to the holder of the card, their dependant spouse or child.

3.7 Recognition of Prior Learning (RPL) and Recognition of Current Competency (RCC)

In the TAFE sector it is possible for students to gain formal recognition of their current skills or to receive further training to update or improve their qualifications. RMIT offers two services under this scheme:

1. **Recognition of Prior Learning (RPL)** is a process through which people can gain entry to, or credit in, recognised courses based on competencies gained. The competencies may have been gained through experience in the workplace, in voluntary work, in social or domestic activities or through informal or formal training or other life experiences.
2. **Recognition of Current Competency (RCC)** applies if a client has previously successfully completed the requirements of a unit of competency or module and is now required to be reassessed to ensure that the competence is being maintained.

RPL and RCC do not include any additional training at the unit of competency or module level. If a unit of competency or module has any training activity associated with it then it is not classified as RPL or RCC. Depending on availability, students who require additional tuition before they can achieve recognition for their chosen program may be offered as state government subsidised program or enrol in a fee for service program.

At RMIT, RPL and RCC are offered as a separate mode of study which will be available for all TAFE courses based on nationally endorsed units of competency and State Accredited units/modules.

3.7.1 TAFE RPL Fees for Government subsidised places

RPL is available as a study mode in all RMIT TAFE courses. Students can apply for RPL for all of the courses in their program of study, from a minimum of one course to a maximum of all courses in the program. In 2012 TAFE RPL fees depend on the program level of qualification which have been categorized as follows: Foundation Skills, Skills Creation, Apprenticeships, Traineeships, Skills Building and Skills Deepening.

For RPL undertaken in 2012 the following tuition fees will apply:

Level name	Program level	Fee per Nominal Hour	RPL fee Concession fee	Maximum RPL fee (12 months)
Apprenticeships	Various	\$2.17	\$188	\$923
Traineeships	Various	\$2.17	\$188	\$1,250
Foundation Skills	Foundation level and pre-accredited programs	\$1.08	\$50	\$500
Skills Creation	Certificate I	\$1.62	\$105	\$875

	Certificate II			
Skills Building	Certificate III	\$2.17	\$188	\$1,250
	Certificate IV			
Skills Deepening	Diploma	\$4.33	\$100*	\$2,500
	Advanced Diploma			

*Concession fees are no longer available at the Skills Deepening level, however students under the age of 25 and Indigenous students will only be charged the minimum fee of \$100.

Calculating the TAFE student contribution for an RPL program or course

TAFE fees for government subsidised places are calculated based on the nominal hours of your enrolment. To calculate your tuition fees, multiply the total nominal hours for your course or program by the fees per nominal hour for the appropriate qualification level listed in the table above.

Maximum fee: your RPL fees will be charged up to the maximum tuition fee of the qualification level of the program enrolment

Example 1: RPL fee for one course/unit of competency

A student enrolled in a Skills Deepening program applies for RPL in one course. The fee per nominal hour for RPL in Skills Deepening qualifications is \$4.33. The course has 60 nominal hours, therefore the RPL fee will be $60 \times \$4.33 = \260

Example 2: RPL fee for multiple courses in a qualification

A student enrolled in a Skills Deepening program applies for RPL in three courses: A, B, and C.

Course A has 60 nominal hours; course B has 50 nominal hours and course C has 80 nominal hours a total of 190 nominal hours. Therefore the RPL fee will be $190 \times \$4.33$, a total RPL fee of \$823

Example 3: RPL fee for all courses in a qualification.

A student enrolled in a Skills Deepening program with a total of 850 nominal hours and applies for RPL in all courses in the qualification.

Overall annual maximum RPL fee

The overall annual maximum RPL fee of \$2,500 applies for RPL in this case.

3.7.2 RPL for TAFE full fee paying students

For non-government subsidised full fee paying students accessing VET FEE-HELP, RPL Fees are equivalent to the standard tuition fees for the course/s for which RPL is sought and can be calculated using the information on the RMIT TAFE full-fees website www.rmit.edu.au/programs/fees/tafe/fullfee.

3.8 TAFE international and domestic full fee paying

3.8.1 TAFE international program fees

Appendix 2 of this document tabulates the 2012 tuition fees applicable to students studying under a student visa arrangement (classified as international onshore students).

3.8.2 TAFE tuition fees for Australian Fee Paying Students

RMIT offers a number of places in TAFE programs on a full fee paying basis. Students who are ineligible for a state government supported place or who are repeating a government supported course may enrol as full fee paying students. The tuition contribution, concessions or exemptions outlined in section 3.6 do not apply to full fee enrolments. Appendix 3 provides a list of the average annual 2012 tuition fees for all TAFE programs for Australian fee paying students.

3.8.3 TAFE AFP fees for programs Cert IV and above

With the implementation of the *Securing Jobs for Your Future: Skills for Victoria* initiative all TAFE programs Cert IV and above have had AFP fees (fund source 3) set for 2012 (outlined in Appendix 3) due to the expected increase in demand for fee paying places. The majority of these fees will be automatically configured in the student administration system, removing the need to manually calculate and levy these fees.

4 Student services and amenities fees

With the passage of the Voluntary Student Union (VSU) bill in 2005, RMIT was required to cease charging Compulsory Non-Academic Fees (CNAF) to higher education students. For reasons of equity, RMIT opted to also cease charging Student Services and Amenities Fees (SSAF) to TAFE and preparatory students.

On 11 October 2011, the Australian Parliament passed legislation allowing universities and other higher education providers to again charge a fee for student services and amenities of a non-academic nature. The fee may be spent by higher education providers on items such as sporting and recreational activities, employment and career advice, child care, financial advice and food services from 2012. With the re-introduction of this fee to the higher education sector, RMIT will also re-introduce this fee for TAFE and preparatory students.

The maximum Student Amenities fee will be \$263 per student per annum in 2012 and will be indexed annually. The part time rate will not exceed 75% of the maximum rate. Eligible students will be able to defer payment of this fee via the new SA-HELP scheme.

For further information, refer to www.rmit.edu.au/programs/fees/servicefees

5 Material fees

Material fees and charges are for goods and services associated with a program of study, such as field trips or lecture notes, reading material or course readers and laboratory or workshop equipment retained by the student after they have completed their program. These fees are not compulsory and students may choose to purchase these items independently. The material fee schedule is made available at the time of enrolment and material fees may only be levied with a student's signed consent.

The fees approved for 2012 have been reviewed to ensure consistency with the above principles. Appendix 4 provides a list of the course (material) fees for 2012. Material fees are also published on the website <http://www.rmit.edu.au/fs/studentfees/material>.

5.1 Higher Education and TAFE sector

Material fees for VET/TAFE courses eligible for VET FEE-HELP are now required to be compliant with identical fee provisions to those that govern Higher Education under the Higher Education Support Act (HESA). The general principle governing material fees is that students must be able to complete their chosen award without paying additional course related charges.

Schools are authorised to charge material fees if the charge falls under one of the following categories:

1. The fee is for a good or service that is not essential for the completion of the program/course.
2. The fee is for an alternative form or access of a good or service that is an essential component of a course or program, but is otherwise readily available at no additional charge from RMIT.
3. The fee is for an essential good or service that the student has the choice of acquiring from a supplier other than RMIT and is for:

- Equipment or items that become the physical property of the student and that are not consumed during the course of study; or
- Food, transport and accommodation costs associated with the provision of field trips.

6 Administrative fees

RMIT has a number of administrative fees to cover specific additional services provided to students. In addition, a number of fees have been approved that can be levied against a student's account as a fine or penalty when university regulations are broken, or borrowed goods are not returned. These fees are principally levied as a disincentive. Although the majority of fees and charges are levied via the student administration system for practical reasons, some Administrative fees are levied outside of this system (ie. car parking fees and fines).

Appendix 5 details a full list of administrative fees and charges. Administrative fees are also published on the website <http://www.rmit.edu.au/fs/studentfees/admin>. For some administrative fees and charges, information about how they will be levied is noted below.

6.1 Service fees

6.1.1.1 School of Computer Science and Information Technology

The School of Computer Science and Information Technology charges a fee of \$110 (ADM10) for recognition of prior industry experience (Exemption Challenge Test Fee).

6.2 Late enrolment fee

6.2.1 Higher Education sector

Students who enrol after their scheduled re-enrolment date may be charged a late enrolment fee.

Failure to enrol by scheduled time/date: Unless prior alternative arrangements have been negotiated with the relevant College/School, Higher Education students who fail to enrol by the specified time and date, and who subsequently receive approval to re-enrol late, will incur a late enrolment fee of \$175.

The late resolution of any outstanding debts will not be considered as justification for waiving the late enrolment fee (\$175). Appeals against the \$175 late enrolment fee must be directed to the Academic Registrar in writing with documentary evidence (e.g. medical certificate) in support of the student's application. Detailed information is available at <http://www.rmit.edu.au/students/enrolment/late>.

ADM43 Late Enrol Fee – SEH (Science, Engineering and Health College)

ADM44 Late Enrol Fee – DSC (Design and Social Context College)

ADM46 Late Enrol Fee – BUS (Business College)

6.3 Fines and charges fees

6.3.1 Library loans

To ensure fair access to RMIT resources for all Library users, fines and penalties apply for the late return of items. Library users can help make the borrowing service work well for everyone by returning or renewing items by their due date.

If a library borrower does not renew or return the items by their due date:

- The library user's borrowing privileges will be suspended at all RMIT University Library sites, and as such, will not be able to renew, pick up holds or borrow from our Libraries.
- The library user will be fined \$0.50 per item for each day the item is overdue (to a maximum of \$65 per item) (ADM16 Library Admin Fee)

Long overdues:

If an item becomes more than 69 working days overdue the item will be deemed lost and an invoice for the replacement cost per item will be forwarded to the user (AF1 Library Material Replacement). The user will also be charged the overdue amount (ADM 16).

For more information, refer to <http://www.rmit.edu.au/library/borrowing/overdues>

6.3.2 Identification name badges

The School of Medical Sciences will charge a fee of \$10 (ADM17) for the provision of a student identification name badge to be worn during clinical placement and retained by the student.

6.3.3 TLD monitors and badges

The School of Medical Sciences will charge a fee of \$100 (ADM54) if the student does not return their Thermo Luminescent Dosimeter (TLD) monitor and its accompanying badge (or card) by the date specified by the School.

6.3.4 Deposit for Access Cards

The School of Electrical and Computer Engineering (ADM115) will charge a deposit of \$50 for 24 hour building access cards. The deposit exists as a disincentive to students seeking replacement cards. The deposit is wholly refundable on return of the access card.

6.3.5 Late withdrawal from study tour

- 6.3.5.1** The School of Accounting will charge a fee of \$350 (ADM124) for late withdrawal from the Globalisation in Practice: A Study Abroad in Thailand tour after 14 November.
- 6.3.5.2** The School of Business IT and Logistics will charge a fee of \$350 (ADM75) for late withdrawal from the Business Globalisation study tour to Canada after 1 April and for late withdrawal from the Business Globalisation study tours to China/Vietnam/USA after 1 August.
- 6.3.5.3** The School of Economics, Finance and Marketing will charge a fee of \$350 (ADM76) for late withdrawal from the study tours to Denmark/France/Germany/Italy after 30 September.

6.4 Car parking fees and parking fines

6.4.1 Parking fees for Bundoora and Brunswick campuses

The following fees apply for annual parking permits, half year parking permits and daily parking fees for students at the Bundoora and Brunswick campuses:

Location	Annual Parking Permit	Half Year Parking Permit	Daily Parking Permit
Brunswick	QP7 \$115.00	QP9 \$57.50	ADM21 \$5.00 per 5 hours
Bundoora	QP6 \$115.00	QP8 \$57.50	ADM20 \$5.00 per day

6.4.2 Parking fines

The Victorian Government under the Road Safety Act 1986 and Road Rules Regulations 1999 has authorised RMIT to issue parking infringement notices for the following amounts and infringements.

Prescribed Penalty	Infringement
\$24 QP10	<ul style="list-style-type: none"> • For period longer than indicated • Fail to pay fee and obey instructions on sign/meter/ticket etc. • Contrary to requirement of parking area • Not within a parking bay • Not completely within a parking bay • In no parking area
\$73 QP11	<ul style="list-style-type: none"> • On a marked foot crossing • Within 10m before marked foot crossing • Within 3m after marked foot crossing • In a bus zone • Double parked • On a bus stop • Within 20m before a bus stop • Within 10m after a bus stop • On a footpath • Within 20m of intersection with traffic lights • Across driveway or other way of access • Not parallel to far left side of two-way road • Unreasonably obstructing the path of vehicles • Obstruct access to footpath
\$122 QP12	<ul style="list-style-type: none"> • In a loading zone • In a loading zone longer than indicated • In a no stopping area • On a pedestrian crossing • Within 20m before pedestrian crossing • Within 10m after pedestrian crossing • In a parking area for people with disabilities • Within 10m of intersection • Within an intersection • Disobey direction to move vehicle from parking area for people with disabilities

6.5 Special administrative services

Enrolled students of RMIT will receive administration services (such as, confirmation of enrolment, liability statements) without charge for details of their current enrolment, and will receive other administration services without charge (such as an award transcript after conferral of an award). The additional special services listed in this section may be provided on application.

6.5.1 Special services

QP4 Transcript fee (charged when student requests a transcript; not charged for complimentary transcripts issued by RMIT)	\$20
QP18 Postage fee for sending students transcripts if express post is requested	\$10
ADM5 Replacement certificate/testamur	\$130
ADM6 Replacement/additional statement of certificate of academic completion	\$30
QP2 Replacement of current student ID card	\$20
ADM22 Duplicate receipt	\$5
ADM30 Duplicate of official Commonwealth Assistance Notice	\$12
ADM31 Letter to employer re: Student Contribution Amount details	\$20
QP3 Postage of Transcripts to Overseas destinations	\$25
ADM51 Courier of Transcripts overseas – zone 1 (New Zealand)	\$50
ADM52 Courier of Transcripts overseas – zone 2 (Asia Pacific except NZ)	\$100
ADM53 Courier of Transcripts overseas – zone 3 (rest of the world)	\$150
ADM117 Interim statement of academic completion provided to students	\$20
ADM120 RIIERP application fee levied to ensure only bonafide applications are made to the RIIERP program	\$75
QP1 Locker Key Deposit	\$20

6.5.2 Graduation ceremony fees

The following fees reflect the subsidised cost of participation and associated incidental goods associated with the Melbourne and overseas graduation ceremonies.

ADM7 Graduation Ceremony Fee – Melbourne Ceremonies (includes complimentary hire of academic dress)	\$130
ADM8 Graduation Ceremony Fee – Overseas Ceremonies	\$130
ADM9 Additional guest ticket for graduation ceremony – Overseas	\$40
ADM61 Graduation DVD ordered pre-ceremony	\$30
ADM60 Graduation DVD ordered post-ceremony	\$40

6.5.3 Purchase of academic dress

Through an external supplier, RMIT is able to offer students academic dress at cost price. Below are the 2012 prices for these items.

ADM59 Purchase of TAFE academic dress	\$150
ADM58 Purchase of undergraduate academic dress	\$160
ADM57 Purchase of Graduate Certificate or Graduate Diploma academic dress	\$170
ADM121 Purchase of Masters academic dress	\$180
ADM119 Purchase of PhD academic dress	\$250
ADM122 Purchase of Doctorate academic dress	\$350

6.5.4 Hire of academic dress

Students may wish to hire academic dress other than for the graduation ceremony, with the corresponding charges noted below.

ADM55 Hire of Academic Dress (Melbourne)	\$60
ADM42 Fee for non return of Academic Dress (Melbourne)	\$165

6.5.5 Administrative fees applying to international full fee paying students

A non-refundable application fee (ADM14) is payable by all International students who apply to undertake an RMIT program. In addition, an International student may request an additional administrative service of an airport pick up (ADM12) or home stay placement (ADM11) on their arrival in Melbourne.

These and other special administrative charges for international students are noted in the following table:

ADM14 Application fee on each international student application: A non-refundable application fee payment, applies to all new applications, except for applicants who are only applying for English language programs. If English language applicants also apply for additional non-English programs they must pay the application fee.	\$70
ADM15 Transfer or withdrawal from program	\$500

ADM12 Airport Pick Up Airport Pickup service (for students only studying ELICOS). Note: \$70 is charged (by Quick Post) to students who request the airport pickup service but do not use it. More information at: www.rmitenglishworldwide.com/arrival-services.html	\$80
ADM11 Home Stay Placement (RMIT English Worldwide) More information at: www.rmitenglishworldwide.com/homestay.html	\$230
ADM11A Homestay Placement Fee (International Services)	\$220
ADM66 Withdrawal from English Language program (ELICOS) RMIT English Worldwide ELICOS withdrawal fee. More information at: www.rmitenglishworldwide.com/refundpolicy.html	\$200
ADM67 ELICOS enrolment fee RMIT English Worldwide ELICOS Enrolment Fee. More information at: www.rmitenglishworldwide.com/elicosdates.html	\$230

6.5.5.1 Overseas Student Health Cover (OSHC)

Overseas Student Health Cover (OSHC) helps pay for student medical and hospital care while studying in Australia. Additionally it will contribute toward the cost of most prescription pharmaceuticals and emergency ambulance transport.

The Commonwealth [Department of Immigration and Citizenship \(DIAC\)](#) has implemented mandatory Visa Length Cover (VLC) as a requirement for all student visa applications from 1 July 2010. This means that if you apply for a student visa on or after 1 July 2010, you must show DIAC that you have OSHC for the entire proposed duration of your student visa. Students who received their Confirmation of Enrolment (COE) from RMIT before 1 July 2010 are only required to show at least one year of OSHC.

From 1 July 2010, RMIT will include visa length OSHC on all official offer letters. RMIT preferred OSHC provider is [Medibank Private](#). RMIT will accept valid OSHC from other [approved OSHC providers](#).

Exceptions

- Norwegian students do not need to take out OSHC, as health insurance for all Norwegian students is provided by the Norwegian Government.
- Many Swedish students have health insurance provided through CSN International, the Swedish National Board of Student Aid. If you are a Swedish student who is not covered by CSN, you must take out OSHC.
- Students studying for less than three months on a visitor or tourist visa are not eligible for OSHC and are advised to purchase Overseas Visitors Health Cover or comprehensive travel insurance.
- Australian government scholarship students.

If your OSHC has expired or is due to expire, you can speak to staff at the International Desk at the Info Corner located on Level 1 at RMIT Building 22, 330 Swanston Street, Melbourne.

For further information, including current OSHC rates, refer to:

<http://www.medibank.com.au/Client/StaticPages/Join/OSHC/Quote.aspx>

6.6 Administrative fees applying to Open Universities Australia (OUA) students

RMIT offers a select number of courses and programs through OUA, formerly known as Open Learning Australia (OLA). OUA is a collaboration of seven Australian Universities, including RMIT, and its programs are delivered by 20 academic providers. OUA courses studied at RMIT may lead to either a RMIT or partner University qualification, with the RMIT award identical to those awarded to non-OUA students at RMIT. For more information about OUA please visit its website:

www.open.edu.au.

OUA students are charged tuition fees directly by OUA, not RMIT. RMIT charges fees to OUA students directly for additional services provided to OUA students. The following fees are applicable for the 2012 year:

OUA - Degree Registration Fee (ADM81 BUS, ADM82 SEH, ADM83 DSC)	\$100
OUA - Credit Transfer Fee (ADM84 BUS, ADM85 SEH, ADM86 DSC)	\$50

7 Childcare Centre fees

RMIT provides a childcare service to students via the City Campus Children's Centre. The following fees and fines apply to this service:

Childcare fees (student parents)	\$84 per day	\$378 per week
Fee for late collection of child/ren after 5:45 pm	\$10 for every five minutes or part thereof	

Failure to pay these fees by the due date may result in the application of penalties, or the withholding of services as outlined in section 8 below.

8 Debtors – overdue balance and penalties

Students who have failed to pay all of any RMIT approved charge may not be permitted to re-enrol, enrol in other programs, participate in graduation ceremonies or to receive an award, until the debt is cleared. International students who fail to pay their fees may have their enrolment cancelled and the cancellation will be reported to the Department of Immigration and Citizenship.

RMIT reserves the right to provide student details to an external agent for the purpose of collecting any debts. Any additional costs associated with this process are payable by the student.

8.1 Fees for late payment

8.1.1 Overdue charges penalty

Students are invoiced on a monthly basis. Invoiced fees must be paid in full by the due date as prescribed on the invoice. If a student's fees and charges have not been paid by the invoice due date, an overdue charges penalty (QP14) of up to \$250 may be charged in line with the standard penalty fee charged by Australian universities.

The overdue charges penalty applies to all types of RMIT fees and charges, except for those listed in section 8.1.1.2 Exceptions.

8.1.1.1 Instalment (payment plan) default

Where a student has entered into an arrangement with the University to repay a student loan or to pay their financial liability over a period of time by instalment and the student fails to honour this arrangement, an overdue charges penalty (QP14) may be applied for each instalment that is not paid when due, and a Negative Service Indicator (see 8.2) may be applied against their account.

8.1.1.2 Exceptions

This penalty does not apply to Higher Education Commonwealth Student Contribution (which cannot be overdue).

8.2 Negative service indicators

Students with an outstanding financial obligation overdue by a period exceeding 14 days may have a "Payment Overdue" negative service indicator (NSI) applied against their account. A negative service indicator may limit the student's access to library and computer services along with preventing a student from graduating, re-enrolling or receiving a transcript of results. It is important therefore that

students contact staff in the Hub promptly if they believe their invoice or account is incorrect to ensure the NSI is not activated.

8.3 Payment plans

A tuition fee payment plan may be granted to eligible students in exceptional circumstances. Students who meet the eligibility criteria for a Commonwealth loan scheme are ineligible for a payment plan. If you are a continuing student (or commencing International TAFE student) and wish to be considered for a payment plan you must provide supporting written documentation to the Hub as soon as possible and prior to the original due date. All applications must be accompanied by a minimum deposit of 50% of the total outstanding tuition fees. Where a payment plan has been granted and the fees are not paid by the agreed date/s, late payment fees may be imposed.

9 Payment of fees and charges

9.1 Domestic and international - payment methods

Invoices are issued online via the Enrolment Online site and a notification email is sent to the student's RMIT email account when the invoice is ready to view.

9.2 Australia Post

Payment methods available:

In person at any Post Office: cheque, money order, cash or giroPost withdrawal.

By phone on 13 18 16: credit card (MasterCard, Visa or Bankcard), or your registered cheque or savings account.

Online at postbillpay.com.au: credit card (MasterCard, Visa or Bankcard) or your registered cheque or savings account.

9.3 BPAY

Contact your participating financial institution to make payments from your cheque account, savings account or credit card. Please quote RMIT's Biller Code (24364) and your student account ID number (SAIN) (listed on the top right corner of your invoice). Check the BPAY site <http://www.bpay.com.au> for more information.

9.4 BPOINT

9.4.1 BPOINT: Internet

Payment online by credit card

To make a payment from your VISA or MasterCard using BPOINT visit www.bpoint.com.au/payments. Please quote Biller Code (24364) and your SAIN number as the reference number.

9.4.2 BPOINT: Phone

Payment by phone using credit card

To make a phone payment using BPOINT call 1300 276 468 within Australia and follow the prompts. Please quote Biller Code (24364) and your SAIN number as the reference number.

9.5 Payment by mail

Make your cheque or money order payable to RMIT University and write your name, student number, student account ID number (SAIN) and address on the back of the cheque.

Please make sure that you allow sufficient time for payments to be sent and received by the due date listed on the invoice. Postal delays will not be accepted as an excuse for non payment.

Please note: RMIT University is unable to accept personal cheques from international banks.

Mail Payments to: RMIT (Student Fees)
PO Box 12014, A'Beckett Street
Melbourne VIC 8006
Australia

9.6 Payment in person at the university

Payment in Person at the University: RMIT accepts payment by credit card, EFTPOS, cheque or money order. **RMIT does not accept cash.** Present the Tax Invoice at one of the following venues. Open: Monday to Friday 9am to 5pm.

City Campus: The Hub, Building 12 Level 4, 394 Swanston Street
Building 108, Level 4, 239 Bourke Street

Brunswick Campus: The Hub, Building 514, Level 1
25 Dawson Street, Brunswick

Bundoora Campus (West): The Hub, Building 202, Level 2, Room 36,
Plenty Rd, Bundoora

9.7 International only - payment methods

9.7.1 Bank draft

Bank drafts should be made payable to **RMIT University** in Australian dollars and forwarded to the following mailing address:

Mail Payments to: RMIT (Student Fees)
PO Box 12014, A'Beckett Street
Melbourne VIC 8006
Australia

9.7.2 Telegraphic transfer

Telegraphic transfers will only be accepted from **commencing** students from those countries where other payment methods are **not** available. Due to problems with identifying the student making the payment, students should only use telegraphic transfer if no other payment option is available.

The following Bank details are to be used to make student account payments by Telegraphic Transfer:

(Name of Account) Payee:	RMIT University
SWIFT code:	CTBAAU2S
(Name of Bank) Bank:	Commonwealth Bank of Australia
(Location of Branch) Branch:	RMIT - Melbourne, Victoria 3000 Australia
(Number of Branch) BSB No.:	063-262
(Number of Account) Account No.:	10006849

In addition to making the payment, the student **must** fax a copy of the telegraphic transfer marked to the attention of: The Banking Officer (fax: +61 3 9663 6925) and the following information must be included:

- Student Account ID Number (SAIN) (if known by the student)
- Student number (if known)
- File Ref No (from offer or acceptance letter)
- Student name
- The program name and its RMIT code.

It is important to provide this information to enable RMIT's Banking Officer to receipt a telegraphic transfer and apply it to the correct student account. Failure to provide the information noted above could cause a delay in crediting a payment to the student's account, which may delay or prevent enrolment.

Students are required to make all payments in Australian dollar currency only and are responsible for any bank charges that originate from their bank or financial institution. Students must determine any fees chargeable by their bank or financial institution and ensure these are paid direct as only the net proceeds remitted will be credited to the student's account.

9.8 Allocation of payments

Payment of fees and charges is automatically allocated to the oldest outstanding charge within a student's account (determined by system determined due date, rather than billing date). Partial-upfront payments of student contributions for Commonwealth-supported students are allocated in class number order.

10 Discounts, fee waivers and partial scholarships

The Higher Education Support Act (2003) does **not** permit universities to apply discounts or waive tuition fees for fee-paying students. The only exception to this requirement is in the instance of local Research students who may be on a HECS-exemption scholarship funded by DEEWR's Research Training Scheme. However, universities may award fee-paying students a scholarship to pay all or part of their tuition fees.

10.1 Authorisation/approval of partial scholarships

Applications for a partial scholarship are only permissible if the *Tuition Fee Partial Scholarship* form is completed, approved and signed-off by the Head of School (funding the scholarship) and approved by the Pro Vice-Chancellor of the relevant College. Partial scholarships can be granted on the basis of compassionate, marketing, staff and other grounds. More information on partial scholarships is available online: www.rmit.edu.au/fs/studentfees/partial_scholarships (staff login required).

11 Scholarships

A wide range of scholarships are available to assist students while undertaking study at RMIT. Many of these have been established to provide assistance to students in specific circumstances.

For further information, please contact the Scholarships Office or visit the website <http://www.rmit.edu.au/scholarships>.

11.1 Scholarships for international students

RMIT offers a range of scholarships to current and commencing international students across all fields of study. Scholarships include financial support for students from diverse backgrounds, rewards for academic excellence and full scholarships for research students. For more information refer to the website: <http://www.rmit.edu.au/scholarships/international>.

11.2 Postgraduate research scholarships

Australian Postgraduate Awards (APA) are funded by the Commonwealth Government and are awarded to local students undertaking a research Masters or Doctoral degree on the basis of academic excellence and research potential. In 2010, RMIT University offered approximately 74 new APAs.

In 2011, the APA provided the following benefits to recipients:

- A stipend of \$25,860 per annum (2011 rate; full-time study). This included the Government APA rate of \$22,860 plus an RMIT top up of \$3000
- A government-funded Research Training Scheme (RTS) place, or equivalent. An RTS place is supported with a HECS exemption for the normal duration of the course. Applicants successful in receiving an RTS place are not required to pay tuition fees for the maximum duration of their candidature.
- A relocation allowance for the cost of relocating in order to take up their postgraduate research program - up to \$515 per adult and \$255 per child to a maximum of \$1,540.
- A thesis allowance for the cost of producing a thesis - up to \$840 for a Doctorate thesis and \$420 for a Masters thesis.
- Paid sick, maternity and parenting leave (within the limits of the Terms and Conditions).

For further information refer to <http://www.rmit.edu.au/scholarships/apa> or the Commonwealth Department of Innovation Industry Science and Research www.innovation.gov.au/Section/Research/Pages/australian_postgraduate_awards_scheme.aspx

Some schools at RMIT offer fee waiver and stipend scholarships. Contact the research administration officer in the school for further information.

12 Refund rules

12.1 RMIT University refunds

The refund rules for RMIT observe the ESOS (Education Services for Overseas Students) Act 2000 and Regulations 2001, the Higher Education Support Act 2003 including Schedule 1A VET FEE-HELP Assistance Scheme and are in accordance with Ministerial Directives from Skills Victoria. These rules apply equally to all new and re-enrolling students unless otherwise stated. These rules are based on the following assumptions:

- The funds for the refund must be available (cheques are cleared, telegraphic transfers have been received); and
- Any fines or other incidental fees incurred during enrolment or engagement with RMIT must be paid in full.
- The acceptance of the refund rules, and the availability of complaints and appeals processes, does not remove the right of the student to take action under Australia's consumer protection laws.

12.1.1 Refund application process

Students who lodge their application to withdraw on or before the census date for a course or VET unit of study will be withdrawn or granted a deferral without penalty and will not incur a HELP debt for that course or VET unit of study. Local or re-enrolling international students who have paid their fees up-front and wish to have their tuition fees refunded must do so by lodging an **Application for Refund of Fees** (see supporting documents and information tab on the web page, URL: <http://www.rmit.edu.au/policies/refunds>) and supporting documentation at one of RMIT's Student Hubs (this form can be obtained from the Hub).

A commencing international student must lodge an **Application for Refund form for International Students** (see supporting documents and information tab on this web page) at International Services.

If a refund is to be provided to a third party, this must be specified in or with the student's application. Enrolled international students must also submit an authorised **Leave of Absence, Cancellation of Enrolment or Change of Program for International Students** form, with supporting documentation. International students who are not in Australia must lodge an **Application for Refund form for International Students** (see supporting documents and information tab on this web page) with International Services.

12.1.2 Payment of refund

Applications for refunds take 2 - 3 weeks to process (earlier, if specifically required by legislation). Refunds must be requested in writing under the applicant's signature, and supported by production of

a valid offer letter. Where a sponsoring body or scholarship agency pays the student's fees, any refund will be paid to that sponsoring body or scholarship agency.

To obtain their refund students have one of two options:

1. The most secure and efficient method is via direct credit to the nominated student bank account (or that of an alternative party if the student's fee liability was assumed by the party).
2. Alternatively an Australian dollar cheque may be drawn against the name of the student account and sent to the student's registered address, (or that of an alternative party if the student's fee liability was assumed by the party).

12.1.3 Definition of returning and commencing Students

For the purposes of these rules, a student is defined as a commencing student if they are enrolling in a particular program for the first time with RMIT or, in the case of offshore students articulating to onshore, when they commence their studies in Australia.

A student is defined as a returning student if they are re-enrolling in a program in which they have already undertaken study at RMIT.

12.1.4 Refunds for domestic students and returning international students

This section outlines the refund rules that apply to all domestic students, and to returning international students. (The next section 12.1.6 outlines the refund rules for commencing international students.)

Census date

The census date is a predetermined date for a course or VET unit of study. Students who lodge their application to withdraw on or before the census date for a course or VET unit of study will be withdrawn or granted a deferral without penalty. All associated tuition fees will be refunded in full. Students who withdraw from either a Higher Education course or VET unit of study on or before the census date will not incur a HELP debt for that course or VET unit of study. Compliance with this deadline is necessary for RMIT's funding and legislative reporting. Accordingly, any enrolment changes following the relevant census date will not change the financial status of a student's enrolment except where the student has lodged a successful application for re-crediting a FEE-HELP balance.

RMIT publishes census dates on the website: www.rmit.edu.au/students/importantdates

The following tables set out the census dates for the 2012 academic year:

	Summer semester	Semester 1	Semester 2	Spring semester
HE – all cohorts	20 February	31 March	31 August	21 December
Foundation studies	N/A	28 days after classes	28 days after classes	28 days after classes

		commence	commence	commence
VET short courses – full-fee paying	Check with School teaching the course prior to enrolling.	Check with School teaching the course prior to enrolling.	Check with School teaching the course prior to enrolling.	Check with School teaching the course prior to enrolling.
ELICOS	Refer to RMIT English Worldwide Refunds.	Refer to RMIT English Worldwide Refunds.	Refer to RMIT English Worldwide Refunds.	Refer to RMIT English Worldwide Refunds.
VCE	N/A	31 March	31 August	N/A

VET census dates for 2012 – domestic and international

For VET units of study in VET FEE-HELP enabled programs, the census date is set no earlier than 20% of the way through the unit of study. The full list of TAFE Skills Deepening courses on offer in Semester 1, 2012 (including the nominal hours, census date and domestic fee per course) is available on the web: <http://www.rmit.edu.au/programs/fees/tafe>

Courses starting in	Census date
January	29 February 2012
February	31 March 2012
March	30 April 2012
April	31 May 2012
May	30 June 2012
June	30 June 2012
July	31 August 2012
August	30 September 2012
September	31 October 2012
October	30 November 2012
November	31 December 2012
December	31 December 2012

Cross-year 1*	30 September 2012
Cross-year 2**	31 March 2013
Full year ***	31 July 2012
Aviation –Semester 1	31 May 2012
Aviation – Semester 2	30 September 2012

* Cross year 1 – classes starting before 30 June 2012 and ending before 29 June 2013

** Cross year 2 – classes starting between 1 July 2012 and 31 December 2012 and ending in 2013

*** Full year session: classes starting before 30 June 2012 and ending between 1 July and 31 December 2012.

****The census dates for selected courses in programs C6009 and C6010 Diploma of Air Transport (Airline Pilot) are in Aviation (AVN) sessions.

Refund calculation

Tuition fees are calculated according to a student's enrolled load. The following table lists the refund a student is entitled to before and after the census date:

	Before census date ³	After census date ⁴	Notes
Program withdrawal, failure to meet offer letter conditions	100%	0%	
Program withdrawal, following leave of absence	100%	0%	The appropriate withdrawal form and any supporting documentation must be submitted along with the refund application.
Program withdrawal	100%	0%	
Domestic TAFE Program withdrawal and transfer to another education institution	100%	0%	
Program deferral	100%	0%	
Permanent residency status is granted	100%	0%	Refer below

RMIT cancels program or program ceases to be provided	100%	100%	For international students, refunds will be paid in accordance with the provisions of the ESOS Act 2000 and the ESOS Regulations 2001. Refunds will be made within 2 weeks after RMIT cancels program or program ceases to be provided. Alternatively, the student may be offered and accept enrolment in a suitable replacement program at the same cost.
RMIT has not provided program in full	100%	100%	For international students, where the program is not provided in full due to sanctions as per ESOS Act Part 6, refunds will be paid in accordance with the provisions of the ESOS Act 2000 and the ESOS Regulations 2001. Refunds will be made within 2 weeks after RMIT cancels program or programs ceases to be provided. Alternatively, the student may be offered and accept enrolment in a suitable replacement program at the same cost.
Visa application is refused – international students	100% less administration fee	100% less administration fee	Documentary evidence of the refusal from Department of Immigration and Citizenship (DIAC) must be provided along with the refund application. An administration fee will apply.
Reduction of enrolled load (credit points/ nominal hours)	100% of dropped course's fees	0%	
Overpayment	-	-	Overpayments in credit in a student's account may be refunded, subject to 11.1.

Payment of upfront contribution

If a student is enrolled within a Commonwealth supported place and elects to make an up-front payment in excess of the 90% of the prevailing tuition fees, a refund will be made for the excess.

Withdrawal from a program or course at RMIT on or before census date, resulting in a credit within a student account from the up-front contribution, will initiate a refund of the excess amount.

Re-crediting of FEE-HELP Balance– Higher Education

In special circumstances, CSP students who withdraw from their studies (including work experience in industry) after a census date may apply to have their FEE-HELP balance re-credited. Upon approval of the application, the deferred debt under HECS-HELP is deemed to have been remitted and any up-front payments of the student's contribution amount will be refunded.

Re-crediting of FEE-HELP Balance – VET FEE-HELP enabled Programs

Where a student has been prevented from completing or withdrawing from a course or VET unit/s of study in a FEE-HELP enabled program due to special circumstances which do not make their full

impact until on or after the Census Date, he/she can apply to have his/her FEE-HELP balance re-credited and for the refund of all upfront tuition fees. Upon approval of the application, the deferred debt under FEE-HELP is deemed to have been remitted and any up-front payments of the student's contribution amount will be refunded.

12.1.5 Refund rules for International Students

International students granted a payment plan for their current semester, who then withdraw after the census date in their current semester, are not eligible for a refund of tuition or student union fees for that semester. In addition, students will remain liable for any amounts unpaid.

Withdrawal from a program following census date, due to exceptional circumstances may be accepted as grounds for a full or partial refund of any pre-paid tuition fee, subject to the provision of acceptable documentary evidence, at the discretion of the Dean of Students.

No refund will be granted if an international onshore student has their visa cancelled by the Department of Immigration and Citizenship (DIAC) for a breach of visa conditions. No refund will be granted if an international onshore student is suspended or excluded from RMIT University due to misconduct.

Student visa

RMIT will report all international students who do not have a current enrolment to the Department of Immigration and Citizenship (DIAC). Student visas may be terminated based on this information. If a visa extension is refused, students will incur an administration fee of \$500.

Permanent residency

International students who are granted permanent residency will be eligible for a refund of all international tuition fees if Permanent Residency Status is granted by the applicable census date and the student submits a Change of Citizenship/Immigration Status form to RMIT by the same applicable census date. Students granted a domestic full fee paying or Commonwealth Supported Place may have their pre-paid fees credited to their account. A \$500 Administration fee may be charged to cover educational representative fees.

International students who are granted Permanent Residency after the applicable census date will not be entitled to a refund for the current semester. International tuition fees paid for future semesters will be refunded 100%. A \$500 Administration fee may be charged to cover educational representative fees.

A student whose residency status changes, must inform RMIT of the change by the applicable census date through the lodgement of a Change of Citizenship / Immigration Status form at a Hub location, to ensure their status is amended within the University's student administration database.

12.1.6 Refunds for commencing International Students

By accepting a full fee international student place at RMIT, an international student enters into an agreement with RMIT for a study program.⁵ This agreement is for the period of the expected duration of the student's program, or duration of programs, for an offer of more than one program. This agreement means there is an obligation on the student's behalf to pay the published program fees throughout the student's enrolment.

The following table details the standard refund rules that apply to commencing international students:

Refund Category⁶	Specific Grounds that meet eligibility for a full refund. <i>(See note 1)</i>	Student withdraws acceptance more than 4 weeks before program commencement date	Student applies for a refund less than 4 weeks before program commencement date	Student applies for a refund within 4 weeks after program commencement date	Student applies for a refund more than 4 weeks after program commencement date, OR visa cancelled.
Refund Amount	100% refund of monies paid. An administration fee of \$500 may be charged.	100% refund of monies. An administration fee of \$500 may be charged.	Monies paid less 50% of standard deposit.	Monies paid less 50% of first semester program tuition fee	No refund

Notes:

1. Categories for full refund are:

- Australian Government has refused to grant initial visa for study in Australia prior to entry;
- The offer of a place is withdrawn because conditions within the offer letter have not been met. If the offer was made on the basis of incorrect or incomplete information being supplied by the applicant or student, students may be charged a \$500 administration fee.
- RMIT is unable to provide the program or the program does not start on the agreed start date. The administration fee will not be charged. Refunds will be paid in accordance with the provisions of the ESOS Act 2000 and the ESOS Regulations 2001. Refunds will be made within 2 weeks after RMIT cancels program or the programs ceases to be provided.
- Student obtains permanent residency by census date (and has been offered CSP or fee-paying place; and submits a Change of Citizenship/Immigration Status form to RMIT by the same applicable census date). A \$500 Administration fee may be charged to cover educational representative fees.
- A notice of withdrawal due to exceptional circumstances of a compassionate nature.

2. Australian Government has rejected a visa extension - students will be charged a \$500 administration fee.

3. Students who apply to transfer to another RMIT program after no more than 2 weeks from the program commencement date will be charged a \$500 administration fee. (Any available credit balance after the deduction of the administration fee will be applied to the other program's tuition fees).

4. Overseas Student Health Cover (OSHC) and application fees are non-refundable. Students must apply for an OSHC refund direct to Medibank Private.

5. Executive discretion may be exercised to consider applications which do not comply with the above provisions, but for which extraordinary circumstances may exist. Application for a refund in special circumstances must be made in writing and sent to the Director, International Services.

Proof of payment of the fees (e.g. an official receipt) and validation of the reasons for applying for a refund will be required.

6. Any further appeal to the decision made by the Director, International Services, may be directed to the Deputy Vice-Chancellor (International and Development) should this be necessary.

RMIT English Worldwide – refunds

RMIT English Worldwide will refund:

1. If the Australian Government has refused to grant a visa:
 - a) The refund amount will be tuition fees in full (excluding the enrolment fee).
 - b) The refund will be made within 28 days (or 4 weeks) of receiving a student's written claim and certified evidence of DIMIA's rejection of the visa application.

2. If RMIT English Worldwide is unable to proceed with the course** applied for (i.e. if the course does not start on the agreed starting day or if the course is stopped after it starts and before it is completed):
 - a) The refund amount will be tuition fees in full (plus the enrolment fee).
 - b) The refund will be made within 14 days (or 2 weeks) after the agreed course commencement date in such cases.

3. If the application for a refund is received more than 28 days (or 4 weeks) before the enrolment date of the course:
 - a) The refund amount will be all fees less the enrolment fee and a cancellation fee of \$200.
 - b) The refund will be made within 28 days (or 4 weeks) of receiving a student's written claim.

4. If the application for a refund is received less than 28 days (or 4 weeks) before the enrolment date of the course:
 - a) The refund amount will be all fees less the enrolment fee and a cancellation fee equivalent to 50% of the total course tuition fee (or no more than 12 weeks tuition fee).
 - b) The refund will be made within 28 days (or 4 weeks) of receiving a student's written claim.

No refund will be granted once the enrolment period has commenced in relation to points 3 and 4 above.

*This agreement does not remove a student's right to take further action under Australia's consumer protection laws. Whilst all applications for refunds will be dealt with according to the stated policy and the National Code of Practice (ESOS Act 2000), this does not remove a student's right to pursue legal remedies. Students who are not satisfied that refund procedures have been followed as published have recourse to the RMIT English Worldwide Complaints and Appeals procedure at no cost. The student must continue with their enrolment during the appeals period.

****For the purposes of this policy "course" is intended as the total study program applied for at RMIT English Worldwide.**

Refund Procedure

3. All applications for refunds must be made in writing to the Director, Melbourne Operations and made by the person requesting the refund. Letters may be sent to REWStudent.Services@rmit.edu.au

4. Refunds will be made by an RMIT cheque in Australian currency (AUD) and refunded to the person who originally paid the fee (evidence must be provided).
5. Refunds will be sent to the payer's home country address unless RMIT English Worldwide is unable to proceed with the course applied for. In this circumstance, the refund may be sent to the payer's address in Australia upon written request by the student.
6. No refund will be granted if a student is reported to DIAC for a breach of visa conditions and has his/her visa cancelled.

Transfer Policy

1. No transfers of tuition fees will be made to another English language centre unless RMIT English Worldwide is unable to proceed with the study program applied for.
2. Students may transfer to a formal award program at RMIT University or another formal award institution if:
 - a) The transfer conditions are in accordance with government requirements, and;
 - b) The student produces evidence of a non-conditional offer letter and written notice is given 28 days prior to the commencement of the next ELICOS module of the course.
3. If students are approved for transfer to RMIT or another formal award institution, an administration fee of 20% of the portion of tuition fees to be transferred will apply.
4. Transfer of fees will occur within 28 days of written notice.

13 Financial liability will remain until enrolment is cancelled

The financial liability of a student's enrolment will remain unless an *Enrolment Variation, Leave of Absence or Cancellation of Enrolment* form, or enrolment variation using Enrolment Online is completed and lodged by the appropriate date.

Withdrawal from a course using Enrolment Online, lodgement of an approved *Enrolment Variation, Leave of Absence or Cancellation of Enrolment* form with RMIT University or RMIT English Worldwide are the only mechanisms to withdraw from a course or program of study. Failure to lodge the appropriate request before the deadline will result in the tuition liability remaining and the appropriate debt recovery actions will be enforced.

14 Approval

RECOMMENDED  Date 16.12.11
Stuart Donaldson
Executive Director (Financial Services)

ENDORSED  Date 16/12/11
